INDEPENDENT AUDITOR'S REPORT (English Translation of Independent Auditor's Report

Tier I

Tier II

Total capital

Capital ratio: Tier I capital ratio

Total capital ratio

Total risk-weighted assets

Originally Issued in Korean on February 29, 2024)

To the Shareholders and Board of Directors of Hana Bank Co., Ltd.:

Report on the Audited Separate Financial Statements

Audit opinion

We have audited the accompanying separate financial statements of Hana Bank Co., Ltd. (the "Bank"), which comprise the separate statements of financial position as of December 31, 2023 and 2022, respectively, and the related separate statements of profit or loss and comprehensive income, separate statements of changes in equity and separate statements of cash flows for the years ended December 31, 2023 and 2022, respectively, and notes to the separate financial statements including a summary of material accounting policies and other explanatory information.

In our opinion, the accompanying separate financial statements present fairly, in all material respects, the financial position of the Bank as of December 31, 2023 and 2022, respectively, and its financial performance and its cash flows for the years ended December 31, 2023 and 2022, respectively, in accordance with Korean International Financial Reporting Standards ("K-IFRSs").

Basis for Audit opinion

Basis for Audit opinion
We conducted our audits in accordance with Korean Standards on Auditing ("KSA").
Our responsibilities under those standards are further described in the Auditor's responsibilities for the audits of the separate financial statements section of our report. We are independent of the Bank in accordance with the ethical requirements that are relevant to our audit of the separate financial statements in the Republic of Korea, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibility for the Separate Financial Statements
Management is responsible for the preparation and presentation of these separate
financial statements in accordance with K-IFRSs, and for such internal control as management determines is necessary to enable the preparation of the separate financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the separate financial statements, management is responsible for assessing the Bank's ability to continue as a going concern; disclosing, as applicable, matters related to going concern and using the going concern; basis of accounting, unless management either intends to liquidate the Bank or to cease

operations, or has no realistic alternative, but to do so. Those charged with governance are responsible for overseeing the Bank's financial reporting process

Auditor's responsibility for the Audit of the Separate Financial Statements

Our objectives are to obtain reasonable assurance about whether the separate financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with KSA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these separate financial statements.

As part of an audit in accordance with KSAs we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the separate financial statements, whether due to fraud or error; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bank's internal control.
- internal control.

 Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the separate financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.

 Evaluate the overall presentation, structure and content of the separate financial
- statements, including the disclosures, and whether the separate financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Bank to express an opinion on the separate financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

This audit report is effective as of February 29, 2024, the independent auditor's report date. Accordingly, certain material subsequent events or circumstances may have occurred during the period from the date of the independent auditor's report to the time this report is used. Such events and circumstances could significantly affect the accompanying separate financial statements and may modifications to this report.

The laws of the country of incorporation of Korea Exchange Bank do not require our head office to confer lower priority to depositors of the foreign offices of the bank, vis-á-vis the home country depositors, in the repayment of deposits in the event of receivership, winding up proceedings or equivalent proceedings of the bank. Notes to the accounts which form an integral part of the financial report can be obtained upon request from the Singapore Branch, 30 Cecil Street, #24-03/08 Prudential Tower, Singapore 049712.
